Early Music Group

The Lancaster Community Music Trust (LCMT) is a small local charity in Lancaster. The Trust is a voluntary led organisation that provides opportunities for music making and tuition through the operation of Lancaster Community Music Centre.

The Lancaster Community Music Centre (LCMC) meets on Saturday mornings in term time at Dallas Road Community Primary School, High Street, Lancaster, LA1 1LD.

As part of our activities on Saturday morning we are considering starting an Early Music Instrumental Group to run from 9.00 am to 9.45 am. The group would focus on the music from Medieval, Renaissance, and early Baroque periods.

As with all LCMC groups, all are welcome to come and try out the ensemble to see if it a good fit for their individual musical aspirations and ability. We will not be insisting on the correct period instruments, so for example Violins will be as welcome as Viols.

At present we need to gauge the level of potential interest and gain a rough idea of which instruments may be involved. If you are interested in joining such a group then please e-mail lcmt_events@yahoo.co.uk with your name, address, and what instrument(s) you would like to play.

All LCMC members will automatically have access to this group included in their membership fee. Non-members will need to become members of LCMT and will gain all the other benefits of membership, (see attached leaflet and website for details). The current standard membership fee is £66 per term, however a reduced fee may apply e.g. for students, retirees, etc. Please see website for details.

We look forward to hearing from you.
